

Have You Heard?

Dorothy McCain Elsenius

Berkeley Post 7, American Legion, was honored last evening by a visit from a POW, Commander Robert W. Switzer, Jr., "told it like it was" as a POW in North Vietnam.

The Commander, who talked to a group of Post members at their special guests, now resides in Sacramento. His wife accompanied him for the visit to the veterans' group.

Irene White of the Solano Avenue Branch, B of A, was honored at a retirement dinner on Aug. 27 with many of her Albany friends and Sororist Club sisters attending.

Irene, who is a past director of the Albany Chamber of Commerce, is the wife of Joe White, who played the organ for many years at local fashion shows. An authorized officer with Bank of America, Irene was a familiar face at the Solano Ave. branch, where she has in charge of new accounts. We'll miss her.

A highlight of the Art Smith Retirement Dinner, the following evening, was the appearance of one of the fellows from the "Society for the Preservation of Barber Shop Quartet Singing in America," headed by Lt. John J. Murray of the El Cerrito Police Dept.

Everyone enjoyed their harmonizing so much that they encouraged them to stay around after the program and sing—with a lot of the audience joining in. It was fun—hope we see them again at some of our local gatherings.

We hear that Children's Hospital Medical Center, is again collecting those small black seals that appear on Viva paper towel wrappers, to provide another little red wagon for the kiddies who are hospitalized there. Anyone wishing to donate to this worthy cause should send them to: Little Red Wagon Seals, c/o Children's Hospital Medical Center, 51st & Grove Sts., Oakland, CA 94609.

Sorry to hear of the sudden death of Walter Ekes, one-time manager of the Solano Avenue Branch of Bank of America and former member of many local clubs. Walt retired while he was young enough to enjoy retirement, and died while playing golf—his very favorite pastime.

Woman's Lib may have been advanced another step in Sacramento, due to a bill proposed recently to allow young girls to have newspaper routes. "Any girl who can convince her parents to have a paper route, should have the same opportunity to acquire one as a boy," said

Albany Schools Will Offer Free Meals Under National School Lunch Program

William J. Kilby, Albany Unified School District business manager, has announced a free meal policy for Albany school children unable to pay for lunches served in local schools, under the National School Lunch and Breakfast programs.

Local school officials have adopted the following family size-income criteria for use in determining eligibility. Children from families with a monthly gross in-

come from all sources at or below the following levels will be eligible for free school meals.

Family Size	Monthly Gross Income
1	\$0 to \$228
2	0 to \$300
3	0 to \$372
4	0 to \$445
5	0 to \$508
6	0 to \$574
7	0 to \$633
8	0 to \$693

(Family size of one means a pupil who is his sole support. A foster child may be considered a family of one).

Children from families whose income is at or below those shown are eligible for meals free. In addition, families not meeting this criteria, but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

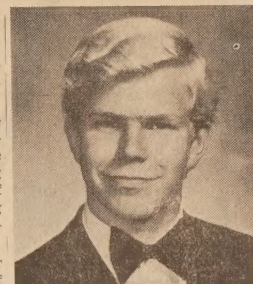

They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available in the principal's office in each school. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year.

In certain cases, foster children are also eligible for these benefits. If a family has such children living with them and wishes to apply for such meals for them, they should contact the school.

In the operation of child feeding programs, no child shall be discriminated against because of his race, sex, color or national origin. Under the provision of the policy the Business Manager will review all applications and determine eligibility.

If a parent is dissatisfied with the ruling of the official, he may make a request, either orally or in writing, to William J. Kilby, business manager, whose address is 904 Aalbot Ave., Albany, for a hearing to appeal the decision.

Hearing procedures are outlined in the policy, and a complete copy of the policy is on file in each school, as well as in the office of the Albany Unified School District at the above address, where it may be reviewed by any interested party.

Fritz Louira, young Albany trumpet player, has been awarded a European Scholarship to study for one year with the world-famous British trumpet soloist, David Mason.

The announcement was made last week, from the stage of London's Royal Albert Hall, where Fritz, as a member of the Young People's Symphony Orchestra of the East Bay, was performing under the baton of Leopold Stokowski.

The young musician, together with seven other members of the Young People's Symphony, has been participating in the International Festival of Youth Orchestras in Aberdeen, Scotland, and London, along with ten other orchestras from Europe, Britain, Asia, Australia, Canada, and the U.S.

Louira, a recent graduate of Albany High School, and son of Mr. and Mrs. Louis Louira of Albany, is currently enrolled at the University of California at Berkeley, where he is a member of the Cal Band.

He is also a private student of Laurie McGaw, also a former graduate of Albany High, and now assistant first trumpet in the San Francisco Symphony.

At Albany High School, Louira played first trumpet in both the Band and Orchestra, and was awarded the John Phillip Sousa trophy, as an outstanding band member. He appeared many times as trumpet soloist.

The European Scholarship was donated by the European Brazilian Bank, Ltd., of London, and was awarded to the "most promising young trumpet player" at

Albany Lions Club president Charles McCain, and fellow Lions urge all sport fans and all public spirited citizens to "turn out in force" for the second annual Lions Day Baseball Game at the Oakland Coliseum on Saturday afternoon, September 15, 1973, at 1:30 p.m. Half of all receipts from Lions Club sales will be returned by the Oakland A's to the Lions with nearly all of that (\$2 of the \$4.50 ticket price) going to the local club for blind and sight conservation work—one of the best known of the many Lions service activities.

Seats are on the first deck on the first base or third base line or behind the plate. The A's will be playing the Texas Rangers.

"Here," says Lion president Chuck "is a somewhat rare and personally satisfying opportunity to enjoy oneself while at the same time providing for aid and

Both schools will house Kindergarten and grades 1, 2, 3 and 4 as last year. Daily time schedules for the beginning of the school year will be 8:50 a.m. to 1:50 p.m. for grades 1 through 3, although the hours of some 1st, 2nd, and 3rd graders will be adjusted later when reading classes are re-grouped for afternoon classes. Fourth graders will attend the full school day, 8:45 to 3:00. The Kindergarten morning session is from 8:45 to 11:45, and the afternoon class hours are 12:00 to 3:00.

ALBANY PRIMARY SCHOOL
Grades 1, 2, and 3 will be accommodated at the Albany Primary School located in the remodeled ground floor of the Albany High School. School hours will be 8:45 to 1:50 to begin the year, with a schedule adjustment for reading groups to be announced later. The morning kindergarten hours are 8:45 to 11:45.

Primary pupils are requested to use the entrance at the extreme south end of the building. **CORNELL SCHOOL**

Cornell will house Kindergarten through the fifth grade, adding three fifth grade classes for 1973-74. The daily schedule for grades 1 through 3 will be 8:45 to 1:50 for the opening of school. However, when reading classes are re-grouped, the afternoon schedule for some 1st, 2nd, and 3rd graders will be modified.

Pupils in grades four and five will begin and continue on the full day schedule of 8:45 to 3:00. The fifth graders attending Cornell will be those of the Cor-

nell and Vista areas plus the Albany Village children who were assigned to Cornell last spring. Parents of fifth graders are asked to double-check report cards which carry 1973-74 school and class assignments. Fifth graders new to Albany Schools should register at the Albany Middle School for placement.

All Kindergarten pupils at Cornell will begin school at 9:50 and be dismissed, at present, at 12:50 after a lunch period. Parents of Kindergarten may send a bag lunch with their child with the option of supplementing it with milk, or the child may eat in the cafeteria. Lunch and milk cards may be purchased at the school office (lunch cards by the week for \$1.75 and milk cards by the month at \$2.00). The kindergarten day will be extended to 1:50 as soon as practical, and parents will be so notified.

ALBANY MIDDLE SCHOOL
The 1973-74 Albany Middle School will include all students in grades 6, 7, and 8 and three classes of 5th graders. The fifth graders will be those residing in the Marin and MacGregor attendance areas plus students previously assigned from Albany Village.

Council OK's Beginning Of Albany Hill Project

The adjourned Council meeting, held Tues., Aug. 21, opened with Councilman Richard Clark introducing Resolution 73-66, and asking for its adoption, paving the way for Interstate General Corp. to proceed with Phase I of the long-delayed Albany Hill high-rise project.

Resolution 73-66, which gave approval of the tentative map of Tract 3528, was quickly followed by three others, covering the Council's acceptance of property conveyed to the City to be used for the overlook and creekside parks, easements for access to the areas, and a cul-de-sac between Taft and Jackson Sts.

Councilman Clark and Joe Carlevaro took turns introducing the resolutions, asking for their adoption and seconding the motions, with Mayor Lewis Howell and Councilman Hubert Call adding their approval. (Councilman George Hein is on vacation).

Resolution 73-78, confirming and satisfying the agreement between IGC and the City for the park property, also indicated that the City would receive a check for \$2,000—the balance remaining from the \$600,000 IGC all-park and open space property loted for the purchase of the from private owners.

"This is the opportunity we have looked forward to for many years," Mayor Howell said, following approval of all the resolutions. "We have tried and tried to find ways to obtain parks and open space on the Hill, without

indebtedness to the City and taxpayers, and now we not only found a way to realize that dream, but to also increase the City's assessed valuation by millions of dollars.

"No one was defeated," he continued. "We appreciate the many points brought out by the opposition, some of which may have enabled us to consider and acquire a creekside park. There should be no bitterness on anyone's part, now. We should all just rejoice that it's over and that the income to be derived from this project when it is completed could rival that of the race track, which at present is our greatest tax source."

Councilman Carlevaro thanked his fellow Councilmen for all the time they had spent at various meetings and hearings on the project. He also commended City Attorney Lary Saler and Administrative Officer James Turner for the "great job" they had done.

"I know all the headaches and heartaches it caused you," he said. "But, working together, we have greatly increased the assessed valuation in the City, as well as secured the parks and open space that everyone wanted and never thought would be possible."

Councilman Call also noted that this was a "big step forward for the City," and commented that when the project was completed we will have "something entirely different from the usual run of apartment houses—something to brag about."

NOTICE

Because of the Labor Day Holiday observance on Monday, Sept. 3, the Albany City Council meeting will be held on the following evening, Tuesday, Sept. 5, at 8 p.m.

The Albany Times will also observe a change in deadlines for the coming issue: news items, Thursday noon; display ads, Friday noon, and classified ads, Tuesday noon.

Albany 'Finds' Almost 1,000 Missing Citizens

The weekend of Sept. 2 and 3 will be proclaimed the "New Jersey Lewis Muscular Dystrophy Telethon" weekend, and Sept. 12, will be "Camp Fire Day" in Albany, according to action taken by the Albany City Council Monday night, in answer to requests for proclamations from Mildred Howie of the Muscular Dystrophy Association, and Frances Smith, District Director of the Camp Fire Girls.

In accepting a communication from Daniel B. Levine, Associate Director of the Bureau of Census, concerning a revised 1970 census count for Albany, Mayor Lewis Howell said: "This is a very welcome letter, and I'm happy to see that they 'found' almost 1,000 of our citizens that they had lost. This should improve our resources considerably." The letter explained that 887 persons and 272 housing units belonging in Albany had mistakenly been coded to Berkeley.

Communications from City Attorney Lary Saler and Administrative Officer James Turner, recommending the awarding of the bid to install thermoplastic crosswalk striping on Solano and Marin Avenues to Riley's Striping Service and the bid to install chain link fencing at Albany Preschool to Oakland Fence Company, were accepted.

Also accepted was the recommendation to award the contract for janitorial services at City Hall, the Police Dept. and the Albany Senior Citizens Center to the El Cerrito Janitorial Service. At the request of Councilman

Hubert Call, the Council instructed City Attorney Saler to draw up an emergency ordinance for a 90-day "freeze" on home occupations in Albany. In voting on the motion, Councilman Joe Carlevaro noted: "This is definitely needed at this time. Home occupations have gotten out of hand in our City. There are a great many businesses operating out of homes in Albany, that have never come before the Planning and Zoning Commission or the Council for a permit."

Councilman Call also requested that "something be done" about parking conditions on the narrow area of Hillside Avenue. The Councilman indicated he had almost been involved in an accident there Monday evening on his way to the Council meeting. "There's not enough room to pass when cars are parked on both sides of this narrow street," he said, "and I think something should be done before we see a serious accident there."

The Council referred the problem to Chief of Police James Simmons and City Engineer Turner, who will study the area and make a recommendation to the Council at a later date.

Under the "good of the City," Mayor Howell commended members of the Police and Fire Depts. who assisted in a very difficult birth in an Albany home last week. "These men who assist in emergencies are certainly to be commended, and especially for their part in assisting in this very unusual and difficult birth," he said.

Commission Requests

Dartmouth St. Study

John Duncan, chairman of the Albany Traffic and Safety Commission, reports that they have asked for a study of Dartmouth Street to determine the plausibility and effect of widening the pavement—in connection with the study of Kains, between Mari and Dartmouth, to determine if it should be made a one-way street. "We realize that the population density has increased in the area," said Chairman Duncan, "and that many citizens have requested that Kains be made one-way street."

"We do believe that this could cause an increase of traffic in the area, especially on Dartmouth—whose narrowness would only create another hazard."

Annual Inspection By Fire Department
Beginning next month, the Albany Fire Department will re-establish its annual company inspection program of all mercantile, institutional and commercial establishments within the City of Albany.
This program is being undertaken by the Fire Department to assist local businesses in making their establishments safer from the danger of fire.
The three goals of these inspections will be:
1. Familiarization of fire-fighters with property where fires may occur.
2. A review of exit routes and maintenance.
3. The removal of common fire hazards.
The value of an active company inspection program has been amply demonstrated and this has been accomplished through the cooperation and support of the owners of the property being inspected.
BICYCLE LICENSING
Senate Bill 147 prohibits residents of cities or counties having a bicycle licensing ordinance from operating unlicensed bicycles on public streets or property. Only bicycles with wheels which are at least 20 inches in diameter, and with a frame of at least 14 inches are covered by this act.
Local jurisdictions are authorized to set fees which must be used to offset program costs and promote bicycle safety.
The act also requires the Department of Justice to maintain records of lost or stolen bicycles. This law became effective Aug. 15, 1972.
